Dear Duncan:

Will you please indicate any corrections or additions to the attached minutes of the meeting held at Los Alamos Scientific Laboratory on August 5-6, 1952. Please check especially the accuracy of reporting those points where agreements were reached. If you have additional thoughts that were not introduced into the meeting will you forward them to me, as I will combine the replies as an addendum to the minutes.

It was a pleasure to have you at the meeting. I hope you found it as valuable as we found your contributions to the discussions.

Sincerely yours,

Gordon M. Dunning
