Dear Dr. Reines:

I greatly appreciate your sending me copies of the letters to Herb and Hugh. Of course, everyone around here is mighty pleased that the U.C.R.L. group did their job satisfactorily.

I want to take this opportunity to express my great admiration for the wonderful job you did. The Skivotek tests were magnificent and Herb and Hugh tell me that the success was in no small measure due to the great job you did.

With warmest personal regards,

Very cordially,

Ernest O. Lawrence
