It is our understanding that the T. T. vessel Hafa Adai is scheduled to arrive Kwaj May 21 and will depart May 26 or 27. We have been advised that a T. T. vessel will be scheduled to arrive at Bikini on June 14 and will depart for Kwaj upon completion of the survey.

Food, bedding, etc., will be shipped from Honolulu to Kwaj via MAC. We will advise you of the date and quantities of all material shipped to Kwaj.

Also, we will keep you advised of any changes to the above or additional requirements that may arise.

I want to thank you for your assistance in supporting this survey and the personal interest you take in assisting the Atomic Energy Commission. We have moved our offices to the trailer compound at Damon Tract, so if you have any time while in Honolulu, feel free to stop by and say hello.

Very truly yours,
