Dear Colleague:

I am enclosing herewith a copy of a document  
sent to me by the Medical Research Council in London.  
Perhaps you have received a copy of this document also  
but, if not, it is important that you should have a  
copy so that you will be acquainted with the questions  
raised by our British confreres before the time of the  
Tripartite Conference.

Yours sincerely,

*G. Failla* <sub>GR</sub>
