SUBJECT: ADVANCE NOTIFICATION TO THE UNITED KINGDOM AND CANADA OF U.S. ATOMIC TESTS

I refer to your memorandum of October 13, 1952, concerning the proposal that the U.K. be notified in advance for the forthcoming IVY test.

It is the understanding of the Commission that the Department of Defense has concurred in this proposal.

I am authorized to inform you that the Commission concurs in this proposal with the suggestion that the U.K. could be informed in the near future that the IVY test is planned for the early part of November.
