7 - BIOLOGY AND MEDICINE

ANNOUNCEMENT OF RESEARCH

On June 15th, the Commission approved a 40 bed cancer research hospital for the Arsenic National Laboratory and a contract for its construction with the University of Chicago. The site is in the building, which is expected to cost \$1,000,000. The construction has been provided out of the appropriations specified by Congress.

RESEARCH

In a recent report, the number of qualified applicants for the program was made to the National Research Council, which administers the program, that medical research awards available to medical research as part of their program. A total of 45 fellowships had been awarded.

- 1. Biological sciences
- 2. Chemical biological sciences
- 3. Physical biological sciences

RESEARCH

The amount of money transferred to the Office of Biological Research, \$1,500,000 the allocation of research contracts being
