Admiral Louis E. Denfeld
Chief of Base Operations
Department of the Navy

[REDACTED]

You were requested by Captain [REDACTED] letter of April 29, 1949, to provide Navy support for the recovery on Midway and Phoenix Atolls and provide ship support, including the provision of a medical LST for the expedition's use. The \$20,000 requested agrees consistent with the agreement between the Navy Department and the Atomic Energy Commission. A local authority authorized payment of the Standard Form 100 submitted by the Navy Department for this purpose.
