

Office Memorandum • UNITED STATES GOVERNMENT

TO : Dr. Dunham
Div. of Biology & Medicine

405000 DATE: Nov. 5, 1954

FROM : Duncan Clark *DC*
Public Information Service

SUBJECT: LETTER TO REPRESENTATIVE STRINGFELLOW

SYMBOL: ISP:DC

This will refer to the letter circulated for concurrence by your route slip of October 29. We concur in the change suggested by the Division of Military Application, with the exception that we suggest the word "significant" be substituted for the words "potentially hazardous" in the fourth sentence of the suggested change. We have no objection to the remainder of the letter.
