Att: Mr. George Russell, Finance Manager

Dear Sir:

Reference is made to Holmes & Narver purchase order # 9E017A enclosed for Support of Atomic Energy Commission Bio-Medical Programs, period July 1, 1968 through June 30, 1969.

On July 16, 1968 travel authorization was made to transport 5 individuals from Kwajalein to Brookhaven National Laboratory in New York on CICT116 Via MAC Aircraft. The individuals were booked to depart Kwajalein on Friday's August 2, 1968 Northwest Flight but due to overbooking were bumped. This being, the individuals have been re-booked on Continental, leaving Kwajalein Friday, August 2, 1968.

This letter will serve as your authorization to obtain 5 tickets one way Kwajalein to Honolulu Via Continental Airlines and charge same to account 3125.

Sincerely,

Frank J. Granich
Project Manager
