U. S. Customs Service  
Washington, D. C.

P. O. Box 1000  
April 6, 1946

Sir:

Can you supply me with an account of any animals,  
livestock, etc., exported out of this country which in any way  
have been detailed for experimentation in connection with the  
atomic energy tests between January 1945 and the present date?

Thank You.
