SUBJECT: Documentation of Bikini Cleanup

Commander
Joint Task Force Eight
Sandia Base, Albuquerque, New Mexico 87115

1. Director, DASA believes that the preparation of accurate detailed documents covering all work performed in the cleanup of Bikini Atoll by AEC-DOD forces is an integral and necessary part of the overall job. Both legal and historical considerations are involved. In order to initiate and expedite this documentation, copies of inclosures 1 ("INSTRUCTIONS FOR THE USE OF WORK LIST DATA SHEETS") and 2 ("AEC-DOD BIKINI CLEANUP WORK LIST" DASA 6/20/69) have been delivered to Commander Joint Task Group 8.8 (CJTG 8.8).

2. In view of the magnitude and importance of this work Commander JTF-8 is requested to monitor progress of documentation closely and forward copies of DASA 6/20/69 to Director, DASA as expeditiously as possible. Since early input is desired, DASA 6/20/69 sheets with items pending completion are satisfactory. Updated versions or corrections to individual items or sheets can be forwarded when received from CJTG 8.8.
