(169th AEC Meeting, 4-28-48)

1. AEC 9/8 - Post Sandstone Requirements and Responsibility for the Eniwetok Proving Ground

Under consideration was a study on the above subject prepared for the Joint Chiefs of Staff by Joint Task Force 7. The General Manager stated that the three services had approved the report and had requested concurrence of the Atomic Energy Commission in the Appendix, a draft instruction from the Joint Chiefs of Staff to the Commander in Chief, Pacific. Mr. Volpe inquired whether the proposed instruction had been discussed with the Department of State. General McCormack stated that he understood that the instruction had been cleared by the Department of State. After discussion, the Commission:

CONCURRED in the Appendix to AEC 9/8.
