

UNITED STATES
ATOMIC ENERGY COMMISSION
WASHINGTON, D. C.

May 11, 1960

The Honorable Arthur S. Flemming
Chairman, Federal Radiation Council
Executive Office Building
Washington 25, D. C.

Dear Dr. Flemming:

I am writing you on behalf of the Chairman of the Atomic Energy Commission, in his capacity as a member of the Federal Radiation Council, and the members of the Atomic Energy Commission, who are authorized to advise you that the May 3, 1960, draft of memorandum for the President, Subject: "Radiation Protection Guidelines of Federal Agencies", has been reviewed in light of the statutory functions of the Atomic Energy Commission and that, with certain editorial and clarifying changes, the memorandum is considered to be suitable for submission to the President.

Appended hereto is a copy of the draft memorandum, including the changes referred to above. You are advised by Mr. Chadwick that these changes have been agreed to by representatives of all the members of the Federal Radiation Council.

Sincerely yours,

William F. Fisher
Assistant General Manager
Regulatory Branch
