Your 12 July Memo on Marshallese

BEST COPY AVAILABLE

I note that you are suggesting that Dr. E. E. Pochin serve on a committee advising on the Marshallese. This would be possible only if the AEC gives additional foreign travel money for the Department. Any travel from abroad is chargeable to the Department's foreign travel money and in view of the very limited amount of operating funds that are authorized for foreign travel, these must be conserved for the use of the Department scientists.
