Dear Mr. Stanley:

In preparation for our September hematological survey of the Rongelap people I would like to propose the following schedule. Bill Scott and Peter Heotis from our laboratory and Sebeo Shoniber, T.T. technician from Majuro will join Dr. Kotrady at Kwajalein. The following schedule is based on Kwajalein (U.S.)time.

- Sept. 6 - Scott and Heotis - N.Y. to Hono. need a room reservation for the 6th and 7th. of Sept.
- Sept. 8 - MAC - Scott and Heotis to Kwaj. T.T. will arrange transportation Shoniber - Majuro to Kwaj.
- Sept. 12 - A.M. LCU to Utirik
- " 14 - A.M. " to arrive to Utirik
- " 16 - A.M. " to Rongelap
- " 17 - " arrive to Rongelap
- " 19 - P.M. to Kwaj.
- " 20 - arrive to Kwaj.
- " 22 - MAC - Scott and Heotis to Hono. Room reservation for Sept. 22nd and 23rd.
- " 24 - Scott and Heotis to N.Y.

There is a possibility that an NBC film crew of 3 people may be going to Utirik and Rongelap to film a documentary on the medical surveys. This will of course have to be cleared by ERDA in Washington and the Interior, T.T. and DOD. If this should not materialize we would like the LCU to go from Rongelap to Bikini for a day at that atoll before returning to Kwaj.

The Marshallese patient, _____ will leave tomorrow and we will appreciate your help in getting her on to Kwaj.

Looking forward to meeting you before long.

Sincerely, PRIVACY ACT MATERIAL REMOVED
