WASHINGTON 25, D. C.

January 31, 1956

MEMORANDUM FOR The Chairman, U. S. Atomic Energy Commission

SUBJECT: Expanded REDWING Program

Reference: Letter for Chairman, Military Liaison Committee,  
from General Manager, Atomic Energy Commission,  
on above subject, dated 19 January 1956.\*

1. The action of the Atomic Energy Commission in approving the expanded Operation REDWING program as indicated in the above reference is noted. Department of Defense support of Operation REDWING, as expanded, is assured.

2. The present Department of Defense weapons effects program is based on the latest schedule of shots, as indicated by Revision No. 6, dated 7 December 1955, to CTG 7.1 General Concept No. 1-55, J3-51. Extension of Department of Defense weapons effects participation to include fall-out documentation of Bassoon Prime is under consideration. Any such extension, if established, will be integrated into the existing Department of Defense program.
