MEMORANDUM FOR THE MILITARY LIAISON COMMISSION  
Attention: Commander F. L. Ashworth

FROM: Roy B. Snapp, Acting Secretary

SUBJECT: GAC Meeting on December 29 and 30 in Chicago

BEST COPY AVAILABLE

The Secretary of the General Advisory Committee has asked that we transmit to the Military Liaison Committee an invitation to be represented at an informal meeting of the General Advisory Committee in Chicago on December 29 and 30. This meeting has two purposes:

- (1) To inspect the Argonne National Laboratory. This will be done starting at 9:30 A. M. December 29, and arrangements have been made between this office and that of Dr. Hilberry at Argonne.
- (2) To examine definite Los Alamos proposals with respect to the test program. This will take place at 9:00 A. M. December 30 at a place arranged by Dr. Hilberry. Although the first part of the meeting will be an executive session, during the latter portion (say after 10:00 A. M.) it would be appropriate for other interested individuals to attend, thus following a pattern similar to that of regular GAC meetings.

12-17-47

Will you kindly advise what representatives of the Military Liaison Committee, if any, plan to attend the meeting, so that we can inform Dr. Manley.
