R

SYMBOL: SECY:JFA

REPOSITORY WABFA College Park
COLLECTION AC 326, Office of the Secy.
1954-1958 Cooper.
BOX No. 64 (NNS-326-93-06)
FOLDER 2276 - Vol. 1 Commission

Commission Decisions

1. AEC 801/17 - Provisions Relating to Control and Safeguards to be Included in Future Agreements for Cooperation - Approved, as revised. (Hall)

Mr. Strauss requested that U. S. delegates to the September conference on IAEA be instructed to emphasize the AEC's position that health and safety standards should be incorporated in the statute. (Hall)

2. AEC 845/4 - Draft Agreement for Cooperation with France - Approved, as revised. (Hall)

Mr. Hall said he would discuss with Senator Pastore the advisability of attaching a classified annex on fuel enrichment to future, classified power reactor agreements. (Hall)

Mr. Libby requested that consideration be given to including in future agreements a provision for transfer of highly enriched uranium for test reactors. He specifically mentioned the need for this provision in the Australian agreement. (Hall)

Mr. Strauss requested that a meeting be arranged with Senator Pastore to discuss power reactor agreements for cooperation. (Hall)

3. AEC 734/10 - Cooperation with the (Wright) Commission on Government Security - Approved. (Traynor)

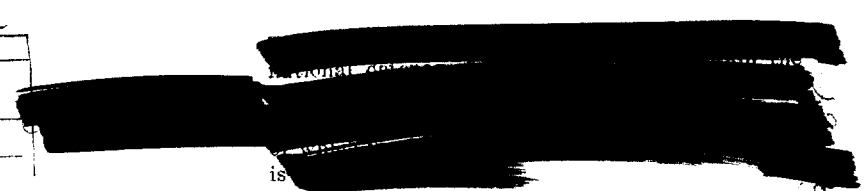

Mr. Strauss requested that any files to be provided the Wright Commission be submitted for his review. Mr. Libby asked to see the Condon file before it is provided the group. (Traynor)

Other Business

1. Draft Agreements with Switzerland, Australia, and the Netherlands. Mr. Hall said these would be ready for consideration next week.

W. B. McCool (Corres.)
