7. Press Release Concerning Evacuation of Natives After March 1 Detonation

The Commissioners considered the proposed text of a press announcement concerning the transfer of island residents and task force personnel from islands in the Marshall Group subsequent to the first detonation in the current series.

After extensive discussion, it was determined that Mr. Strauss would be informed of the text of the proposed release and, if he approved, the concurrences of other interested Government agencies would be requested.

Roy B. Snapp
Secretary

Approved by the Commission: May 19, 1954
